

ssebs Software

Looking for someone to just make it work?
We're generalists, and love to figure out all
things tech.

About

[What we do](#)

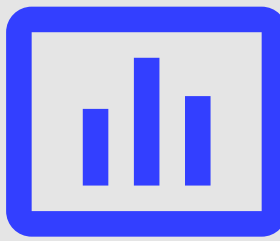

We will take your requirements, and
find a solution that will work for you.
Whether it's software development,
or if you have an IT need, **ssebs**
will take you there.

Take a look at
some of our
work...

Contact

[Let's work together](#)

My name is Sebastian Safari

I'm a Systems and Software Engineer, I can take
an idea and turn it into a tangible product. At
the moment, I'm the only one at ssebs, but I'll
put complete focus in you when it comes time.

[Email me](#)

What tools to I use?

- | | |

More about me

[Location & Hobbies](#)

I'm located in the heart of the
Silicon Valley. Some of my
hobbies include playing guitar,
some gaming, and being a car
nerd.
